

PerformSpecialty is a full-service specialty pharmacy located in Orlando, Florida and licensed to operate in all 50 States plus the District of Columbia. This specialty drug access list includes medications available and distributed through PerformSpecialty. *Please note that this list is subject to change as access to new drugs/medications are obtained.*

It is our goal to keep each patient actively engaged in their treatment to improve their overall health and well-being. We are here to make each component of the specialty treatment process easily accessible.

Fax your prescriptions or prior authorization (PA) forms to PerformSpecialty at **(844) 489-9565** today! For offices who prefer to E-Prescribe, we may be found in your EMR System as **PerformSpecialty, Orlando, FL, 32837**. Once you initiate contact, we'll take care of the rest!

Condition specific referral forms and instructional videos may be found on our website at www.performspecialty.com.
